Jona,

Always, thank you. Ask Jeremy status of ring?

Jona,

His schedule is planned weeks in advance.. We would need to setup a future date to meet, tonight is an impossibility.

Hi I am with Jeremy now on a flight his phone isn't working. Sorry it is so last minute but since I will be in town tonight before my travels next week can you arrange dinner at 7 with Chief Dunn, you, me, and Jeremy? If it is ok we would bring Mike Harrington as well. Thank you.
